Family Health Service (FHS) has taken measures to protect all of our patients' private medical information. FHS will not release any information to anyone unless you have provided the requested information below. These would be people other than what is covered in our Notice of Privacy Practices. Your protected health information will be used by FHS or disclosed to others for the purpose of the treatment, obtaining payment, or supporting the day-to-day health care operations of the practice. You should review the Notice of Privacy Practices for a more complete description of how your protected health information may be used or disclosed. You may review the notice prior to signing this consent. You may also request a copy of the Notice of Privacy Practices for your own records. See the receptionist to receive a copy. You may request a restriction on the use or disclosure of your protected health information. FHS may or may not agree to restrict the use or disclosure of your protected health information. If FHS agrees to your request, the restriction will be binding on the practice. Use or disclosure of protected information in violation of an agreed upon restriction will be a violation of the Federal Privacy Standards. You may revoke this consent to the use and disclosure that has already occurred prior to the date on which your revocation of consent is received will not be affected. PCHC reserves the right to modify the Privacy Practices outlined in the notice.

Please see the receptionist with any questions prior to signing this authorization form.

No-Show Policy

Quality care for our patients is our priority. Please take a few minutes to review our no-show policy and sign at the bottom of the form. If you have any questions please let us know.

Definition of a “No-Show” Appointment

Family Health Services defines a “No-show” appointment as any scheduled appointment in which the patient either:

- Does not arrive to the appointment
- Arrives more than 15 minutes late and is consequently unable to be seen

Impact of a “No-Show” Appointment

“No-show” appointments have a significant negative impact on our practice and the healthcare we provide to our patients. When a patient “no-shows” a scheduled appointment it:

- Potentially jeopardizes the health of the “no-showing” patient
- Is unfair (and frustrating) to other patients that would have taken the appointment slot
- Disrespects not only the provider’s time, but also the time of the entire clinic staff

How to Avoid Getting a “No-Show”

1. **Confirm** your appointment
2. **Arrive** 5-10 minutes early
3. **Give** notice to cancel appointment prior to appointment time

1. Appointment Confirmation

Family Health Services will attempt to contact you one business day before your scheduled appointment to confirm your visit via automated phone call. Our automated phone system will try to call you up to five times to confirm your appointment.

2. Try to Arrive 15 Minutes Early

When you schedule an office visit with us, we would like you to arrive at our practice 15 minutes prior to your scheduled visit. This allows time for you and our staff to address any insurance or billing questions and or to complete any necessary paperwork before the scheduled visit.

3. Give Notice Prior to Your Appointment if You Need to Cancel

When you need to cancel or rebook a scheduled visit, we expect you to contact our office prior to the scheduled visit. This allows us to determine the most appropriate way to reschedule your care as well as giving us the opportunity to rebook the now vacant appointment slot with another patient.

Consequences of “No-Show” Appointments

If you miss 3 or more appointments within a year you will be required to make a Same-Day Appointment.

1. To make a Same-Day Appointment you will need to call the day you would like to be seen to see if any of these appointments are available.
2. Recurrent no-show appointments or non-complaint behavior may result in dismissal from Family Health Services.

I have read and understood the Family Health Services “No Show” Policy as described above.
