Sliding Fee Discount Program Application

Valid from May 4th, 2020 through May 1st, 2021

It is the policy of Family Health Service of Erie County to provide patient-centered primary care regardless of the patient's ability to pay. Discounts are offered based upon total household income and the number of persons living in the household. A sliding fee schedule is used to calculate the basic discount and is updated each year using federal poverty guidelines.

A fully completed application including verification of income must be on file and approved by the business office before a discount will be applied.
